General Comment

Dear sir and madam

I urge my congress people to amend the proposed bill before passing.

I using my IRA to invest using options has been very beneficial to me, as I am sure is the case with many other retired person.

I appreciate your efforts to simplify retirement, but ask to to not eliminate the best way that I have found to manage my own retirement funds in my IRA. I find that I can do this safely and under control. Legislative assistance is not required and it is not desirable in this case.

Thank you for your consideration in this matter of great importance to me.
